If two (2) EMT's are needed and more than two (2) respond, only the first two (2) EMT's who arrive are entitled to such compensation unless specifically authorized by the highest-ranking fire fighter /EMT involved in said emergency. In any instance where more than two (2) EMT's are authorized to be compensated pursuant to this paragraph, the highest-ranking fire fighter/EMT who issued said authorization shall report the circumstances to the City Manager or a designated representative promptly after the emergency situation has been abated.
